## SUMMARY

Fashion Management professional with experience across product development, merchandising, e-commerce and brand operations. Experienced in supporting product development for American Eagle, managing e-commerce operations and executing brand and experiential projects. Brings a combination of fashion knowledge, commercial understanding and hands-on execution.

## WORK EXPERIENCE

### Management Trainee - Client Servicing

June 2026 - Sept 2026

NeoNiche Integrated Solutions Private Ltd.

- Supported **15+ experiential marketing and brand activation briefs** across automotive, mobility and consumer brands including Bentley, Ducati, Renault, Toyota, Hero, Honda and Sharp.
- Developed **research, concept and ideation decks**, translating client objectives into themes, consumer experiences, visual references and execution plans.
- Supported **4-5 project executions**, coordinating with internal teams, vendors and venues across **planning, spatial layouts and on-ground execution**.
- Contributed to the **private preview of the Bentley Continental GTS in India** and a **250-attendee Sharp Partner Meet** and awards ceremony.

### Product Development & Merchandising Intern

Dec 2025 - Apr 2026

Triburg

Best Graduation Project Award - International Business / Export Merchandising

- Supported **product development and merchandising for American Eagle**, with primary exposure to the dresses category.
- Coordinated approximately **500 styles** across the sampling and product development lifecycle, supporting development through approval stages.
- Coordinated with 6 India-based vendors and **tracked 30-40 samples at each sampling stage** to support timely sampling and approvals.
- Supported **sample approvals, lab dips, strike-offs, merchandising trackers and BOM/T&A processes**.

### E-Commerce Intern

Jun 2025 - Nov 2025

House of Kosha

- Managed **250-300 products/SKUs on Shopify** through product uploads, categorisation, inventory updates and online visual merchandising.
- Conducted outreach to **50+ marketplaces and retail partners**, contributing to collaborations with **10+ marketplace and distribution partners**.
- Conducted outreach to **150+ influencers, stylists and celebrities** and supported customer engagement through a **400+ customer database**.
