WHERE MOVEMENT BECOMES ELEGANCE

Avora embodies the elegance of motion. Our designs are simply not worn – they **transform how you move, how you feel, and how you're remembered.**

Inspired by the **fluidity of life** and the magnetism of sophistication, Avora merges **modern design with timeless craftsmanship** to create luxury experience that lingers long after the moment has passed.

About Us

Vision

To **define a new era of modern luxury**, where **movement** becomes the ultimate expression of **elegance**. Avora aspires to stand among the world's most coveted fashion houses, **blending heritage craftsmanship** with **contemporary artistry** to create pieces that live with the wearer and leave an enduring mark on style.

Mission

To **craft luxury fashion** in harmony with the individual. We elevate movement into an art form-imbuing every step with **grace, confidence, and timeless elegance** for a discerning clientele who seek more than appearance, but **refinement in every moment**.

Values

- **Artistry in Motion** - Beauty that moves with you.
- **Timeless Modernity** - Style beyond seasons.
- **Exquisite Craftsmanship** - Precision in every detail.
- **Poised Presence** - Confidence that endures.

Positioning Statement

EXPERIENCE BASED

For the woman who values heritage and innovation, Avora designs footwear that transforms every step into an expression of elegance, confidence, and individuality – where craftsmanship meets contemporary artistry, and every moment becomes a celebration of refined luxury.

Experience-based The focus is on the emotional and sensory journey of wearing Avora.

Lifestyle-based It appeals to women who identify with a certain way of living, blending heritage and modernity.

Brand Architecture Examples

BRAND RATIONALISATION

Brand Disposal/Deletion – Kingfisher

Kingfisher Airlines was disposed due to financial instability and operational losses, showing how companies drop non-performing brands to cut losses.

Brand Migration within markets – Airtel V-Fiber

Airtel migrated its broadband service into the "V-Fiber" name to modernize and rebrand within the same telecom market, keeping customers engaged with an upgraded identity.

Brand Migration across markets – Olay

Oil of Ulay / Olaz / Ulan → Olay (P&G). Known by different names in different countries (e.g., Oil of Ulay in UK, Oil of Olaz in Germany). Now, Standardised worldwide as Olay.

Common brand platform – Lays/Walker

Both Lays and Walkers operate under PepsiCo's global potato chips platform. They use the same recipes/brand strategy but adopt region-specific names for familiarity.

NAMING CONVENTIONS

Master Brand – Samsung

Samsung acts as a master brand across electronics, appliances, and phones, with its core name driving trust and recognition everywhere.

Sub Brand – Emporio Armani

Emporio Armani: A luxury sub-brand under Armani, created to target a specific high-end fashion segment.

Master brand as driver – Jio Hotstar

Jio Hotstar: Hotstar rebranded under Jio's ecosystem, creating a sub-brand tied to the parent's telecom power.

Master brand as co- drivers – Toyota innova

Both Toyota (corporate master brand) and Innova (product brand) drive the positioning, with Toyota lending trust and Innova building its own strong recall.

ENDORSED BRANDS

Linked Name – Zee / Sony

Both names stand alone but are linked to the parent for credibility. Sony Music / Sony TV, Zee Café / Zee News — the linkage maintains recognition.

Strong Endorsement – Mia by Tanishq

“Mia” heavily uses Tanishq’s credibility in jewelry. The endorser brand is strongly visible to assure quality.

Token Endorsement – Gillette Venus

“Venus” stands as the main brand for women’s razors, with “Gillette” only as a small token endorsement, leveraging trust without overshadowing.

HOUSE OF BRANDS

PepsiCo

PepsiCo owns independent brands like Pepsi, Tropicana, Lays, Doritos, Quaker, etc., which don’t always carry the corporate name. This allows each brand to target different markets without overlap.

Bullseye Framework

Points-of-Parity (POP)

- High-quality craftsmanship, as expected in luxury footwear.
- Comfort, durability, and brand experience at par.
- Luxury retail and service standards

Brand Mantra (Core Essence)

Heritage Refined,
Art Redefined

Value/Personality/ Character

Artistic, culturally rooted,
bold, expressive,
empowering, graceful

Visual Identity

- Logo: Inspired by Indian heritage symbols, redefined with a luxury aesthetic.
- Regal color palette (champagne, gold & mauve).
- Strong visual motifs—lotus emblem, intricate embroidery, modern silhouettes.
- Distinctive packaging echoing heritage and sustainability themes.
- Signature gold-plated lotus heel tip, exclusive designs

Substantiators (Reasons to Believe)

- Working with verified master artisans and luxury designers
- Verifiable sustainability certifications and testimonials.
- Transparent sourcing and manufacturing processes.

Corporate Strategies with examples

FORWARD INTEGRATION

Gaining ownership or increased control over distributors or retailers.

Ex: Bombay Dyeing – Initially a textile manufacturer, it integrated forward by opening its own retail stores for home and bed linen products, selling directly to consumers.

BACKWARD INTEGRATION

Seeking ownership or increased control of a firm's suppliers.

Ex: FabAlley / Indya – Started as a fashion brand sourcing from vendors, later set up in-house design and production units to control quality, speed, and exclusivity.

HORIZONTAL INTEGRATION

Seeking ownership or increased control over competitors.

Ex: Aditya Birla Fashion & Retail Ltd. (ABFRL) – Expanded by acquiring or partnering with other brands like Pantaloons, Jaypore, and Tasva – all operating in the same fashion retail space.

Corporate Strategies with examples

MARKET PENETRATION

Seeking increased market share for present products or services in present markets through greater marketing efforts

Ex: Biba – Intensified advertising and expanded retail presence (online + offline) to capture a larger share of the ethnic wear market.

MARKET DEVELOPMENT

Introducing present products or services into new geographic areas.

Ex: Manyavar (Vedant Fashions Ltd.) – Expanded from Indian wedding wear into international markets like the UAE, the US, and Canada to reach the Indian diaspora.

PRODUCT DEVELOPMENT

Seeking increased sales by improving present products or services or developing new ones.

Ex: W for Women – Introduced new sub-lines such as fusion wear and accessories to expand its product range for existing customers.

Corporate Strategies with examples

RELATED DIVERSIFICATION

Adding new but related products or services.

Ex: Raymond – Extended from fabrics to ready-to-wear apparel, tailoring services, and accessories – all within the fashion and textile ecosystem.

UNRELATED DIVERSIFICATION

Adding new, unrelated products or services.

Ex: Reliance Industries Ltd. – Entered the fashion and luxury retail sector (Reliance Brands Ltd.) despite its core business being petrochemicals and telecom.

RETRENCHMENT

Regrouping through cost and asset reduction to reverse declining sales and profit.

Ex: Future Group (Pantaloons) – Closed underperforming stores and streamlined operations to manage declining profitability before its acquisition.

Corporate Strategies with examples

DIVESTITURE

Selling a division or part of an organization.

Ex: Arvind Unlimited –

Retail chain formerly owned by Arvind Fashions that offered affordable fashion for the entire family. The brand has been sold to V- Mart Retail.

LIQUIDATION

Selling all of a company's assets, in parts, for their tangible worth.

Ex: Koovs –

The e-commerce fashion retailer shut down operations and liquidated assets after facing financial distress.

BRAND EXTENSION

Expertise Extension

Brand: AVORA

Product Extension: Luxury Handcrafted Bags

Brand Characteristics:

- Uses the same artisanal craftsmanship and material quality as its footwear line.
- Designed for the modern luxury woman — sophisticated, minimal, timeless.
- Incorporates sustainable leather or eco-fabrics to strengthen brand ethics.

Applications of Expertise Extension

Provide existing authority in niche
AVORA's craftsmanship in luxury
footwear establishes immediate
trust in high-end accessories.

Improve brand reputation
Extending into bags enhances
brand visibility as a complete
luxury fashion house.

Develop as thought leader AVORA
positions itself as a symbol of
timeless luxury — not just
footwear, but lifestyle artistry.

Line Extension

Brand: AVORA

Product Extension: A dedicated collection of luxury bridal footwear, including bespoke stilettos, and embellished Shoes.

Brand Characteristics:

- Renowned for exquisite, romantic design and the use of premium materials (satin, lace, pearls, and crystals). Offers a highly personalized and bespoke service for a bride's special day..

Applications of Line Extension

To offer a variety of products to existing customers: Targets loyal AVORA customers for a new, significant life event (their wedding).

To attract new customers: Captures a new, high-intent customer (the bride) who may then become a lifelong brand loyalist.

To improve marketing efficiency: Allows for highly targeted marketing campaigns aimed at the wedding and bridal market.

Lifestyle Extension

Brand: AVORA

Product Extension: This is an experiential extension. The "products" are exclusive, curated events: Sponsorship of emerging artist exhibits at major art fairs. Invitation-only "Art of the Craftsman" masterclasses. Curated runway shows and fashion week after-parties.

Brand Characteristics:

- Recognized as a cultural curator and a leader in the world of art and high design, not just fashion. The brand is associated with an exclusive community and sophisticated lifestyle.

Applications of Lifestyle Extension

To grow the brand community:
Connects like-minded, affluent individuals who share values of art, design, and culture.

To enhance brand awareness: Builds significant brand prestige and "buzz" in influential circles, far beyond traditional product advertising.

To increase earning potential:
Elevates the perceived value and desirability of the core products, allowing for premium pricing.

Customer franchise Extension

Brand: AVORA

Product Extension: A complete line of luxury leather accessories, including handbags, clutches, wallets, and belts, designed to complement the footwear.

Brand Characteristics:

- Embodies the same core AVORA DNA: exceptional Italian craftsmanship, superior quality materials, and timeless, sophisticated design.

Applications of Customer franchise Extension

Getting the most from the existing customer base: Sells more to the same affluent customer who already trusts the AVORA brand.

Strengthening the parent brand: Elevates AVORA from a "luxury shoe brand" to a "comprehensive luxury accessories house."

Determining new market opportunities: Provides a strong foundation to later expand into other leather categories (e.g., travel luggage).

Brand Distinction Extension

Brand: AVORA

Product Extension: A bespoke service offering custom textiles and upholstery for high-end interior design projects.

Brand Characteristics:

- This extension is built on AVORA's unique distinction: its unparalleled expertise in sourcing and working with the world's most rare and luxurious materials (exotic leathers, suedes, rare textiles). It is seen as the ultimate in bespoke luxury for the home.

Applications of Brand Distinction Extension

Enhancing the customer base: Enters the highly lucrative luxury interiors market, attracting a new type of client (interior designers, homeowners).

Improving revenues: Creates a new, high-margin revenue stream.

Meeting customer expectations: Leverages the trust built by the parent brand—if a customer trusts AVORA for their wardrobe, they can trust them for their home. Mention creative and innovative only one product according to it make

Stages Brand Extension

Brand Extension Strategy 1: Trading up

Major benefits of using trading up strategy

- Premium Pricing Advantage :Elevated materials and limited-edition detailing enable higher margins with minimal cost escalation.
- Elevated Luxury Perception :Refined accents, premium textures, and sophisticated packaging strengthen AVORA's exclusivity and justify a premium position.

Example of Trading up Strategy

Product name : AVORA Atelier

Description : A premium capsule line crafted from micro-textured vegan leather with hand-finished detailing, featuring sculpted heels, luxe packaging, and limited seasonal colour ways—justifying a premium price and elevating AVORA's luxury positioning.

Brand Extension Strategy 2: Addressing a New Occasion

Companies can take advantage of new occasion strategy as follows

- Launch a comfort-luxury variant :line with ultra-soft insoles + flexi-sole technology for long office hours, travel, and commute.
- Limited-edition festive capsule :Same silhouettes but with jewel-tone colours, metallic finishes, or festive embellishments.

Example of New Occasion strategy

Product name :AVORA Tempo (The Travel/Resort Loafer)

Description : A super-lightweight, unstructured loafer made for high-end resort travel. It uses a Merino Wool/Silk blend lining for temperature regulation and a flexible, shock-absorbing cork sole, allowing the shoe to be folded flat for optimal packing and immediate comfort upon arrival.

Brand Extension Strategy 3: Remove barriers to usage

Key benefits of using remove the barrier to usage strategy

- Reaches Untapped Consumers Women who avoid heels due to discomfort, fear of slipping, or material concerns.
- Strengthens Brand Trust :Eliminating usage barriers positions AVORA as thoughtful, innovative, and customer-centric.

Example of Remove the barrier to usage strategy

Product name :AVORA Guard (The All-Climate Boot)

Problem Identified: Problem identifiedFear of Damage from Water/Salt/Snow: The high cost and fine material of luxury leather footwear prevent consumers from wearing them in harsh winter or wet weather conditions, limiting year-round use.

Solution : A line of leather boots and shoes featuring an integrated, invisible Nanotechnology Water Barrier coating on the outside and a breathable, thermal GORE-TEX lining on the inside.

Brand Positioning

Brand Positioning for AVORA is the strategic process of establishing a luxury image and emotional identity in the customer's mind, one that represents movement as elegance, craftsmanship as art, and luxury as a way of life.

Types of Positioning

Features Based Positioning

AVORA emphasizes its artisanal craftsmanship and distinctive design details:

- Gold-plated lotus emblem heel signature
- Sculpted silhouettes ensuring stability and poise.
- Handcrafted leather artistry with exquisite finishing.

Problem & Solution-Based Positioning

Problem: Luxury heels often sacrifice comfort for aesthetics.

Solution: AVORA redefines luxury footwear by merging comfort innovation with couture design.

Features such as : Anti-fatigue arch technology, Balanced high heel architecture, Soft-touch leather interiors.

Experience-Based Positioning

AVORA offers more than a product, it offers a luxury experience. Every pair is designed to evoke emotion, confidence, and movement, making each step a sensory celebration of poise and self expression

Lifestyle- Based Positioning

AVORA embodies a redefined and aspirational lifestyle that values heritage, artistry, and timeless elegance.

The brand appeals to women who see fashion as an extension of identity and grace, not trend.

Relevant

Modern women seek heels that represent elegance and empower their movement, AVORA fulfills both emotional and functional luxury desires.

1

Unique

Iconic lotus-inspired design DNA, couture craftsmanship, and movement-led storytelling differentiate AVORA from global luxury heels.

2

Clear

A single powerful idea:
WHERE MOVEMENT
BECOMES ELEGANCE,
instantly understood and
emotionally valued.

3

Recognizable

Gold accents, sculptural silhouettes, and distinctive AVORA packaging create immediate luxury identity recall.

4
